

Scholarship recipients get to know their benefactors at the President's Reception

Theresa Letterie Carfagno, PhD '59 was inspired to share the gift of a Catholic education and generously gave Gayeon Lee '14 a \$2,000 scholarship for the 2012-2013 school year. Dr. Carfagno continues to support the mission of Hallahan with her generosity.

Alynn Phelan '16, who was chosen to receive the Ruth Stanton Godlewski '43 Memorial Scholarship funded by gifts from her husband Albert Godlewski, shared her love of Hallahan, Soccer and Lacrosse with Mr. Godlewski.

The Tearte Family Foundation honors Gwendolyn Washington Tearte '48 with three \$500 grants for incoming freshmen. These gifts will be sustained for their four years at Hallahan. Mrs. Tearte spent the evening with inaugural Tearte Scholars Ariel Bailey '17, Selina Mendez '17, and Da'Vian Smith '17.
